

GOSFORD EAST PUBLIC SCHOOL NEWSLETTER

PRINCIPAL'S REPORT

As winter settles in, our school is alive with activity. From the so many co-curricular opportunities to the day-to-day rhythm of classroom life, our kids have been coming to school, ready to engage. Amidst the busy calendar, our core focus remains unchanged: supporting every student in their learning. I hope you find the new department reports informative regarding how your child has been doing with their learning and goals that they are working towards. Thank you to our teachers for working endlessly this term to prepare and write them. We are proud of the progress being made across all year levels and grateful for the continued partnership of families in helping students thrive—both inside and outside the classroom.

Parent/Teacher Interviews

These will be Term 3 in the first weeks of school. This information will be coming out with the reports. Don't forget to check School Bytes to see when your teachers are available and book in! The interviews are for Kinder-Year 4, but you are welcome to contact the Stage 3 teachers if you wish to discuss your Year 5 or 6 report or progress.

GEPS Student Voice Ambassadors

Miss Brookes and I attended the Central Coast Student Voice Ambassador Project with Zac, Sariah, Lucy, Rohan and Ashton at Lisarow HS. We collaborated on what student voice, trust and respect looks like in our school and started a plan. We are so proud of our students for their participation and willingness to have honest conversations. Watch this space as we re-vamp the SRC!

New Uniforms

I have been very disappointed to hear about the quality of our lovely new shirts. I am talking with the company to try and see what I can do. I will continue to work with the P&C to see what our

Seen in and out of the school

Now we have a newsletter once a month, I need more room for photos! It was lovely to see our Kinder models seeing their picture out the front of our school! Thank you, Violet, Mali, Jasper and Mia.

Clever authors writing their own mini-books from 1W: Lizzie, Jacob, Rafael and Maggie May. Ryder impressed me with his acrostic poem and illustrations. Bottom row are photos from our Student Voice Day. Over the page is our fabulous basketball and netball teams, representing our school proudly! making me the happiest principal. They made me a card to brighten my day. I had emotional tears in my eyes as I read Stella, Pippy, Penny, Lincoln's poetry about bushfire and survival. Kaedan and Alana showed me their clever work and I loved hearing Henry and Anna read fluently!

Have a wonderful safe, happy and warm holiday, Gosford East. See you back at school on Tuesday, 22nd July.

LIVIN' DEADLY

Livin' Deadly Girls Group

During Week 9, our Aboriginal and Torres Strait Islander girls were very excited to have a very special visitor attend their Livin' Deadly girls group.

Donnalee, a proud Wiradjuri woman and parent at GEPS, shared her wealth of knowledge about Aboriginal culture, language, stories, music and art.

This time was invaluable for our girls as they were able to connect to culture and express their own stories through artwork.

Thank you very much to Donnalee for visiting GEPS, we had so much fun!

Athletics News

Last Thursday, we finally ran the last event of our athletics carnival, the 1500m. As this concludes our carnival, I can reveal that the final points for each house are

WARRIMOO 647

CHAKOLA 631

KIARA 585

CARATHOOL 563

Congratulations Warrimoo on winning a second carnival this year. Most of the carnivals are not won on placings, but on participation – Warrimoo's participation was phenomenal.

We also had several records equaled or broken this year – Indie W equaled the junior girls high jump record of 1.10m (and still has a chance to break it outright), Mia C broke the senior girls 200m with 32.99 seconds, and two 1500m records – Indie W in the junior girls with 7.10.06 minutes and Paige J in the senior girls with 7.15.07 minutes. Well done!

Age champions will be announced at our end of year Presentation Assembly.

Zone Athletics

The Southern Central Coast Zone Athletics Championships will be held in Term 3 (5th September). This week, students are being made aware of the events in which they have qualified. Please let me know if your child cannot make this date or does not want to participate in a specific event. Last minute withdrawals may deny other students the opportunity to replace these competitors.

Notes will be sent out via School Bytes next term - please complete and submit these at your earliest convenience.

Congratulations to the following students on qualifying for the zone carnival.

NSWPSSA BASKETBALL GALA DAY

GALA DAY – Breakers Indoor Stadium

On Friday 6th June, the boys basketball team competed against Avoca Beach Public School in Round 2 of the NSWPSSA Knockout Competition. Round 1 for GEPS was a bye which sent us straight to Round 2 of the competition. We faced a very strong Avoca team who had rep level players and a sizeable advantage in height.

Despite the boys playing very well, we came up short. However, they played from start to finish with excellence and spirit and represented our school with pride.

Thank you to the parents that helped transport students to and from the venue. Thank you also to the parents that managed to come and watch.

MOBILE DENTAL PROGRAM TERM 3

NSW Health Primary School Dental Program

NSW Health is working with the Department of Education and public primary schools to offer free dental check-ups and preventive care, to all students as part of a school-based mobile dental program. Our school has been selected to participate the program.

Many parents may not realise two important things about their children's teeth:

1. Good oral health is essential for children to successfully learn and participate at school, and
2. NSW Health offers free public dental health services to all children under 18 years of age.

Learning and behaviour difficulties at school can start with tooth and gum problems. That's because decay and gum disease can cause pain and difficulties in eating, sleeping, talking, concentrating, and learning, which can in turn affect a child's behaviour in class. A child with tooth decay may feel self-conscious about the way their teeth look and feel, making it harder for them to join in class and social activities. Our school is participating in the program and offering students the opportunity to have free dental check-ups in a comfortable and familiar environment at school. With a parent/carers consent, students are able to have a free dental check-up and free preventive care. **The program is scheduled to visit our school from 18/08/2025 to 3/09/2025.**

A Parent Information and Consent Pack will be sent home with each student, and includes information sheets, consent forms and the program privacy statement. Parents/carers who want their child to receive care are advised to:

1. Read all the information provided in the pack
2. Carefully complete all the fields of the consent forms
3. Return the consent forms to the school as soon as possible

More information about the program or how to access public dental clinics is available on the NSW Health website at: <https://www.health.nsw.gov.au/oralhealth/primaryschool dental>

VACATION CARE

7.30am - 6.00pm

Our passionate team of educators strive to create a space where children feel welcome and encouraged to experiment and grow. We provide a range of activities so that each child can engage in their interests including sports and active play, imaginative play, music, art and craft, games ... and much more!

We pride ourselves on knowing the children that we care for and tailor our program around their interests so if there's something that the children want to explore, we try to facilitate that opportunity. Central to this is creating strong relationships with the children.

We focus on getting to know each child, their interests and hobbies, so that we can provide the best possible care and the children feel comfortable.

We know that OSHC is a priority for working families. Our goal is to have the children love coming here due to our fantastic program and caring educators.
